

## RAY'S PUTTS

Last Wednesday evening we were provided with an excellent presentation by Cathy Jones on the history and background of a number of heritage listed properties in the Strathfield area.

Cathy had a lot more to tell us but was restricted due to time constraints and will be invited back on another occasion.

Last Thursday night 10 Rotarians and 4 partners had a great night at the il Buco Restaurant Liverpool Road Enfield. We enjoyed great fellowship and wonderful food.

Members are encouraged to take the opportunity of future events to experience fellowship apart from normal Rotary meetings.
